MARCH 2001

From your Chairperson

Hallelujah! The sun!

Hope everyone is sufficiently drying out after so much rain. I do love this time of year, as everything is green and fresh.

This should be a great time to ride, so hope you join us on March 24th, as it should prove to be a beautiful ride through green hills, lush meadows, alongside the creek and views forever.

Well, the Trails Matrix has been handed into the county after successfully getting the approval of both the Transportation and Trails Subcommittee and the Ramona Community Planning Group.

Again, a big THANK YOU goes out to Bonnie, who provided the leadership and many, many hours on this very important project. Ultimately, a little over 300 hours went into seeing this through.

Thank you to all of you who gave your time and trail input as well. It doesn't stop here though. The more information we can continue to provide the county the better for us and our trails. We will keep you posted on the progress and how you might be able to help.

Cheryl Wegner,
Chairperson
